President's Report

Submitted 6/25/2024

6/3 - Met with director to review various topics. Discussed construction aide application process, which projects were more appropriate, whether it was fiscally feasible, and Brian's suggestions via STLS. Also discussed upcoming book sale, other fundraising, and a situation with a volunteer that was thankfully improving. Talked about the possibility of making the Montour Falls Farmer's Market library sponsored, what that might look like in the future. Jess also provided some summer learning program info and updated regarding new employees' hours and duties.

6/8 - Volunteered at the Spring Book Sale. Attendance low due to carnival and limited parking on parade route. Will have to reassess the date in the future.

6/13 - Executive officers discussed construction aide application with Jess via email and decided to pass on applying this year due to the limited time frame (deadline for a project quote was too tight) and the current deficit.
